### Genealogies

**New Members:** Please complete the [Genealogy Form](#) and include it with your **Membership Form** and send to Nancy Cook. We need this information to complete our genealogy database. While we understand that not every submission is complete, nor will they all agree with each other, this is a good starting point, and we can work together from there. Your documentation is needed, if you have it, and you may include it as attachments.

**Renewing Members:** If you wish to add new information, please complete the [Genealogy Form](#) with the additional information and return with your renewal.
